

Defined Contribution Pension – Hourly Sessions

GM St. Catharines will be hosting Defined Contribution (DC) Pension sessions onsite in early November to enroll hourly new hires (SWEs) into the DC pension plan. In these sessions, a presenter from Great West Life (GWL) will help employees fill out the necessary paperwork, provide investment education, share helpful tools for investing, and give an overview of the GM Canada hourly employee savings program.

It is strongly recommended that all new hires attend a session.

The following sessions were scheduled to accommodate hourly new hires before or after their scheduled shift. Please attend one of the following sessions.

Session #1	November 7	1:00-2:00 p.m.	Engine Theatre
Session #2	November 7	3:00-4:00 p.m.	Engine Theatre
Session #3	November 8	6:45-7:45 a.m.	Engine Theatre
Session #4	November 8	1:00-2:00 p.m.	Engine Theatre
Session #5	November 8	3:00-4:00 p.m.	Engine Theatre

If employees are not able to finish the paperwork during their session, they can fill it out on their own time and return it to Shirley Ancker or Sheri Vallis in Personnel at a later date.
