

# EDUCATION SEMINAR

## Donald Trump and Labour

Donald Trump successfully campaigned for the US presidency, in part, by appealing to US manufacturing workers. One year into his presidency, how has the Trump administration actually treated US workers?

This is part of the McMaster Labour Studies certificate course and is a two evening video conference course schedule at the Union Hall in St Catharines.

For More information Contact Melodie Zarlenga, Joe Petriello, or Peter Scott.

Issued by the Executive Board Unifor Local 199

**Monday  
February  
5<sup>th</sup> & 12<sup>th</sup>  
6:30 – 9:30pm**

*“One year into his presidency, how has the Trump administration actually treated US workers?”*
