

TEAM BOB WHITE

Union Made in Canada

Limited Edition T Shirt - \$20

Every year in communities across Canada, 173 *"Walk for Alzheimer's"* are held. We are inviting our members to participate by either making a donation by purchasing a t shirt or by joining a walk in your community. Together we can raise funds to help families impacted by dementia and pay tribute to our brother, Bob White.

50% of all t-shirt sales will be donated to the Alzheimer's Society in Bob White's name.

"By walking together, we will make a difference"

For more information about entering a team, making a donation, ordering shirts for your Local Union, or for a list of community walks and the locations, please contact Peter Scott.
