

TEAM – Bob White

Walking Together, Makes a Difference

Brother and Sisters

I am contacting you about an idea that started in January this year. While attending the “*Walk for Alzheimer’s*” in Niagara, I noticed a family wearing a shirt with a picture and name of a deceased family member. It was very moving to see the entire family come together, wearing the same shirt to remember a loved one.

The Alzheimer Society’s “*Walk for Alzheimer’s*” draws attention to dementia. What most Canadians don’t know is that 564,000 Canadians are currently living with dementia in Canada. This statistic is projected to grow to a staggering 937,000 in 15 years. Over 1.1 million Canadians, including our members are directly or indirectly impacted by this disease. The cost to provide care is \$10.4 billion per year. No matter who you talk to, there is always a connection to this disease, it affects everyone!

A month after the walk, Brother Bob White passed away. Brother White’s passing impacted an entire generation of activists across Canada. Everyone who knew Bob White had great respect for him and many want to pay tribute to this great leader and activist. Bob White was a true hero to so many, which brings me to the campaign.

Can you imagine the impact of labour activists and their families in every community across Canada participating in the *“Walk for Alzheimer’s”*, wearing *“TEAM Bob White”* T shirts. We could raise funds for a good cause and pay tribute to Brother Bob White in hundreds of communities.

The Alzheimer Society’s *“Walk for Alzheimer’s”* is a national campaign. Entering teams would provide a lot of media attention for both the Alzheimer Society and Unifor. More importantly, we can offer hope and assistance to families through a difficult and challenging time.

Locally, we help raise thousands of dollars every year in Niagara. This year we are building a team for the next *“Walk for Alzheimer’s”* and plan to significantly increase the number of walkers and the amount of funds raised as a tribute to Brother Bob White. We thought other Unifor members would like to get involved.

So how can you help?

- If you live in Niagara area, contact me and sign up to walk with us. Anyone who signs up and has \$100 of pledges on their sheet will get a free *“Walking Makes a difference”* T-shirt
- If you can’t walk, please consider making a donation in Bob White’s name at the following link. www.alzheimer.ca/bobwhite (a tax receipt will be issued for donations over \$20)
- If you live in a community where there is a *“Walk for Alzheimer’s”*, sign up and enter a team. A complete list of walk locations with instruction how to enter a team is attached. All donations and walk pledges will be in Bob Whites name.
- Ask your Local Union to order t-Shirts for your team. The discounted price per shirt is only \$15, plus delivery. 50% of all sales will be donated to Alzheimer’s Society under Bob White’s name.
- We are also interested in hearing your stories, how dementia or Alzheimer’s has impacted your family and what needs to be done.

We thank you in advance for your participation in this campaign. We hope you will consider making a donation or walking in the next event as an individual or as part of a team. Please contact me if you have any questions about this campaign.

Together we can help to improve the support for families impacted by dementia.

“Walking together, we can make a Difference”

In Solidarity,

Peter A. Scott
