---

On **Thursday, December 12, 2019** on behalf of all employees, UNIFOR Local 199 will be at the gates to conduct our annual plant gate collection for Community Care, Project Share in Niagara Falls and The Hope Centre in Welland.

Traditionally employees at the General Motors site in St. Catharines have been very generous contributing to make the lives of those less fortunate a little brighter. We encourage you once again to assist people within our community who have fallen on difficult times.

In the true holiday spirit, please donate generously to this most worthy cause.

**“WE CAN HELP”  
PLEASE GIVE GENEROUSLY!  
YOUR CONTRIBUTION DOES MAKE A DIFFERENCE!**
