

## IMPORTANT OPERATING PLAN NOTICE

General Motors announced today (March 18, 2020) that all GM manufacturing plants across the United States will be temporarily be winding down.

Please be aware that at this time GM St. Catharines is scheduled to remain open.

However, starting Monday, March 23, 2020, assembly and machining shifts in the GM St. Catharines GF6 transmission operation will be temporarily laid off until further notice due to customer demand in line with CAMI Assembly's operating plan.

Any GF6 employees required to work during this time will be notified directly by their supervisor.

HFV6 and Gen V will continue to operate as normal at this time.

We are working with our Unifor partners to ensure the health and safety of our employees remains our top priority during this time.

**Impacted GF6 employees are required to call the Emergency Information Hotline (1-877-868-3895) two hours before their regularly scheduled shift starting Monday, March 23, 2020 for any changes to the return to work schedule.**
